Allow up to 5 days for delivery of supplies.

As the demand for testing increases, the quantity of supplies delivered may vary from your original order depending on supply availability.

Please plan for at least a week’s worth of collection devices. Deliveries will be made Monday through Friday. No deliveries on Saturday or Sunday.

There are multiple COVID-19 specimen collection media available for testing. We realize that you may order a particular type of swab or media, however, be aware that we may change your order to a different type swab or media depending on availability. Please be assured that the swab or media you will be receiving can still be used for COVID-19 specimen collection.
